

NJANA Fall Virtual Meeting 2025 Agenda
Pending 7-12 Class A CE approval from the AANA

September 28, 2024		CE Credit	Location
7:00-8:00AM	ACLS/PALS/BLS Re-Certification <i>Jamie Paz, MSN, CRNA</i>	4	Virtual and Main Conference Hall
7:00 - 8:00 AM	Breakfast		Vendor Hall
7:00 – 8:00 AM	Hands-on Needle and Boujie Assisted Cricothyrotomy Teaching Lab (ON-SITE ONLY) <i>Maureen McCartney Anderson, DNP, CRNA/APN, FAANA</i> <ol style="list-style-type: none"> 1. Identify anatomical landmarks to perform needle cricothyrotomy 2. Perform needle and bougie cricothyrotomy on a 3D printed trachea 	1 On site only	Vendor Hall
8:00-9:00 AM	AI Meets Anesthesia: Shaping the Next Era of Perioperative Medicine <i>Ravi Modh, DNP, CRNA/APN</i> <ol style="list-style-type: none"> 1. Describe the fundamental principles of artificial intelligence (AI) and its emerging role in healthcare. 2. Identify current and potential applications of AI in anesthesia practice, including monitoring, decision support, and perioperative management. 3. Evaluate the benefits and limitations of AI integration for anesthesia providers, focusing on patient safety, efficiency, and workflow. 4. Discuss the ethical, legal, and professional implications of 	1	Main Conference Hall And Virtual

	adopting AI technologies in anesthesiology.		
9:00-10:00 AM	Anesthetic Considerations for Corrective Jaw Surgery <i>Tarandeep Singh, DDS, FACS</i> <ol style="list-style-type: none"> 1. Identify preoperative risk factors and airway challenges in patients with congenital craniofacial deformities. 2. Discuss strategies for intraoperative anesthetic management, including airway control, blood loss reduction, and analgesia. 3. Anticipate and manage key postoperative concerns, particularly extubation, airway safety and PACU protocols for corrective jaw surgery 	1	Main Conference Hall and Virtual
10:00-10:15 AM	Break		Vendor Hall
10:15-11:15 AM	NJANA President's Address and Board of Directors Panel Discussion <i>Stephen Pilot, CRNA/APN – NJANA President</i> <ol style="list-style-type: none"> 1. Identify two NJ state issues impacting CRNA practice 2. Discuss strategies that can be incorporated into daily clinical practice to address state issues impacting CRNAs 	1	Main Conference Hall and Virtual

11:15-12:15 PM-	"Beyond Age: Optimizing Anesthesia in the Elderly"	1	Main Conference Hall and Virtual
	<p><i>Laura L. Ardizzone, DNP, CRNA, MBA, DCC, FAANA</i></p> <p><i>This lecture will review the perioperative management of the geriatric patient. We will review normal and abnormal changes associated with aging and how anesthesia care should be tailored based on surgery and co-morbidities.</i></p> <ol style="list-style-type: none"> 1. Describe the changing demographics of the United States. 2. Describe the normal physiology of aging. 3. Describe the pathophysiology associated with aging. 4. Identify best practices when delivering perioperative care to the geriatric patient. 		
11:15-12:15PM	RRNA to BSN Advanced Airway training – IN PERSON ONLY (no virtual option)	1 (On-Site only)	Vendor Hall
	<p><i>Alysia Ruffin, BSN, CCRN, RRNA</i> <i>Brian Uster, BSN, CCRN, RRNA</i> <i>Tisha Lim, BSN, CCRN, RRNA</i> <i>Damien Kuiloski, CCRN, RRNA</i> <i>Erica Barrett, CCRN, RRNA</i></p> <p><i>Facilitator: Stacie Tittamin, DNP, CRNA/APN</i></p> <ol style="list-style-type: none"> 1. Identify the equipment involved in establishing an advanced airway 2. Perform proper mechanics for utilizing a laryngoscope 		

	<p>handle, blade, and videoscope to insert an endotracheal tube.</p> <p>3. Identify anatomical landmarks visualized when implementing an advanced airway.</p>		
12:15-1:15 PM	LUNCH	1- On site only	Vendor Hall
	<p>Hands-on Needle and Boujie Assisted Cricothyrotomy Teaching Lab (ON-SITE ONLY)</p> <p><i>Maureen McCartney Anderson, DNP, CRNA/APN, FAANA</i></p> <ol style="list-style-type: none"> 1. Identify anatomical landmarks to perform needle cricothyrotomy 2. Perform needle and bougie cricothyrotomy on a 3D printed trachea 		
1:15-2:15 PM	<p>Medical Marijuana: Fact or Fiction</p> <p><i>Laura L. Ardizzone, DNP, CRNA, MBA, DCC, FAANA</i></p> <ol style="list-style-type: none"> 1. Understand the policy implications surrounding medical marijuana 2. Discuss the evidence related to patient outcomes with the use of medical marijuana 	1	Main Conference Hall and Virtual
2:15-2:30-PM	BREAK		Vendor Hall
2:30-3:30 PM	<p><i>CRNA Wellness</i></p> <p><i>Laura L. Ardizzone, DNP, CRNA, MBA, DCC, FAANA</i></p> <ol style="list-style-type: none"> 1. Understand best practices for CRNA wellness 2. Review evidence surrounding CRNA wellness 	1	Main Conference Hall and Virtual

3. Identify further resources			
3:30-4:30PM	Russ Lynn Lecture Series <i>Faculty Advisor: Thomas Pallaria</i> <i>DNP, CRNA/APN</i>	1	Main Conference Hall and Virtual
1. Identify a gap from research to clinical practice through the development of a quality improvement project. 2. Discuss how to implement evidence-based research into clinical practice.			
= 7-12 <ul style="list-style-type: none"> • 7 CE for virtual • 8 CE for in-person • 4 CE for ACLS/PALS/BLS 			

Cost:

- **Conference Only (same price for virtual vs. in-person):**
 - **NJANA Member: \$275**
 - **Non-member: \$300**
 - **CRNA with RRNA Sponsorship: \$325**
 - **RRNA: \$50**
 - **BSN: \$75**
- **Add-on's**
 - **ACLS: \$125**
 - **PALS: \$125**
 - **BLS: \$90**
 - **BUNDLE (ACLS/PALS/BLS): \$325**

Sponsorship levels:

- **Platinum level (12 available: in-person option)**
 - On-Site Table and face to face time with members

1479 Pennington Rd Trenton NJ 08618
 Events@NJANA.com
 NJANA.com

- Signage/advertisement on rotating slide show during breaks/in between speakers
- Recognition on NJANA website for 3 months after conference
- *Cost = \$400*
- **Gold (unlimited – virtual option)**
 - Signage/advertisement on rotating slide show during breaks/in between speakers
 - Company listing on virtual sponsorship board.
 - Recognition on NJANA website for 3 months after conference
 - *Cost = \$200*

**Provide a check box for registrants to opt in/out of receiving promotional emails from sponsors. For those that “opt in”, we will give that list of emails to the sponsors.
